

Exciting New Opportunity!

Care Manager - Racine

My Choice Family Care is a leading managed care organization serving nine Wisconsin counties. We are seeking a certified social worker or human-service professional to join our care management team at the Racine office.

This position is responsible for providing on-going care management through regular face-to-face and phone contact with Family Care Members, developing and maintaining care plans that assist Members to live and function as independently as possible, and collaborating with the Family Care RN on the interdisciplinary team to assure the health and safety of Members enrolled in the Family Care program.

Our preferred candidate will demonstrate solid critical thinking skills and a passion for excellence in customer service required.

Family Care experience preferred and a Bachelor's Degree required.
