

Exciting New Opportunity!

Nursing Program Manager

My Choice Family Care is growing and succeeding! We're pleased to announce a new opportunity for a visionary, goal-setting leader to provide guidance and expertise for establishing and ensuring nursing policy and practice for our Family Care Program.

The Nursing Program Manager will be providing leadership and collaboration with key partners to ensure My Choice Family Care continues to be positioned in a manner such that quality standards are maintained, risk is mitigated, and responsive to the dynamic changing requirements of the state & federal government.

Responsibilities include:

- Leads the development and introduction of policies and guidelines related to nursing practice.
- Through ongoing training, mentoring and competency evaluation, ensures that Family Care nurses have the tools to meet program requirements with a focus on Member health and safety.
- Develops and provides training on new treatment methods, nursing-related products and equipment. Communicates changes in practice or techniques to nurses as needed using a variety of methods.
- Identifies clinical risks inherent to the operations of the MCO through monitoring of statistics and data related to the Incident Management System, clinical audits, and provider concerns.

Minimum Education & Years of Experience Required:

- Wisconsin State RN license in good standing. BSN with ten (10) or more years of experience in managed care, long term care or related field.
- Demonstrated leadership ability.
- Masters Degree preferred.

My Choice Family Care offers a competitive salary and excellent benefits package including generous paid time off, paid holidays, 401(k) match, and low cost health/dental coverage.
